Cassie Hevans and A Christmas Carol (in July) Kate Lastname

Cassandra Hevans is a (possibly mad, possibly magical) eighteen year old who lives in Glastonbury, England, not too far from an old costume/book shop, which - unaccountably - you can't Google.

Unaccountably, you can't Google Cassie much either.

(Actually, it's very accountable. It's called magic.)

This is Cassie's first adventure. There may be others - providing she survives this one.

Cassie Hevans and A Christmas Carol (in July):

Cassie Hevans is having an ordinary, normal Glastonbury day. It's raining (again), the world smells of wet dog, and if it weren't for worrying about her non-dream, she'd be bored out of her mind.

Perfectly normal, that is, until she visits a weird bookshop, and nearly kills someone. And then, the first monkey shows up.

Perfect for lovers of *Just One Damned Thing After Another* and *The Eyre Affair*.
