Folk Songs of Liverpool Gerry Jones And John Haines

'Folk Songs of Liverpool' is the new name for the book all about Liverpool folk songs - 'Liverpool Lyrics - the Book - the Dots!'. Both editors agreed after a certain time period had lapsed that the title needed to be a lot clearer, the title needed to directly reflect the book's contents, so what more apt than 'Folk Songs of Liverpool'. As with the first version, it contains all of the better known Liverpool folk songs - their histories, the lyrics, and a simple musical score showing the lyrics and notes / chords to the first verse and chorus. The book also expands - a little - on the writers and artistes that are considered the main exponents for each song. Some corrections have been made in this version, there is an extra song, and some minor sections dealing with peripheral matters have been deleted, but, the new book is much the same as the old one. Enjoy!
