Master Edition: The War of the Rebellion a Compilation of the Official Records of the Union and Confederate Armies (Official Records of the Civil War) Two DVD Set

The Master Edition of The War of the Rebellion is the result of two years effort creating a two DVD product that contains the entire 128 Volumes of the Official Records (OR) in both searchable and page perfect presentation.

In this edition, every page looks exactly as it would if you opened a physical book. That means that all the images, tables and indexes are properly organized and easily readable - something that doesn't exist in most digital versions of the OR. In most instances, the tables have been all jumbled by the process to convert the books to text - and any images are completely gone - but that is not the case in the Master Edition. (You can see some samples in the images above.)

So if you are looking for a picture perfect OR at a fraction of the cost of purchasing a text set, this is the collection you have been waiting for.

This DVD set runs on all Windows and Macintosh computers. You must have a web browser and Adobe Acrobat Reader - (available for free download if you do not have it installed on your computer.) The book index is organized in an HTML menu that is compatible with all browsers and the books themselves are in PDF format to allow them to be universally accessed. The books on this DVD are searchable and all are printable.

From reader reviews:

Michelle Johnson:

Reading a publication can be one of a lot of task that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new information. When you read a publication you will get new information due to the fact book is one of a number of ways to share the information or even their idea. Second, studying a book will make anyone more imaginative. When you reading through a book especially fictional book the author will bring that you imagine the story how the people do it anything. Third, you can share your knowledge to other individuals. When you read this Master Edition: The War of the Rebellion a Compilation of the Official Records of the Union and Confederate Armies (Official Records of the Civil War) Two DVD Set, you are able to tells your family, friends and also soon about yours reserve. Your knowledge can inspire average, make them reading a reserve.

Daniel Grinder:

People live in this new day time of lifestyle always make an effort to and must have the time or they will get lot of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely sure. People is human not a robot. Then we consult again, what kind of activity do you have when the spare time coming to you actually of course your answer will unlimited right. Then do you ever try this one, reading guides. It can be your alternative within spending your spare time, the actual book you have read will be Master Edition: The War of the Rebellion a Compilation of the Official Records of the Union and Confederate Armies (Official Records of the Civil War) Two DVD Set.

Pete Dominguez:

Your reading 6th sense will not betray you, why because this Master Edition: The War of the Rebellion a Compilation of the Official Records of the Union and Confederate Armies (Official Records of the Civil War) Two DVD Set guide written by well-known writer we are excited for well how to make book which might be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and writing skill only for eliminate your own hunger then you still hesitation Master Edition: The War of the Rebellion a Compilation of the Official Records of the Union and Confederate Armies (Official Records of the Civil War) Two DVD Set as good book but not only by the cover but also with the content. This is one reserve that can break don't evaluate book by its deal with, so do you still needing an additional sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.

Adelina Thompson:

Is it an individual who having spare time in that case spend it whole day through watching television

programs or just lying down on the bed? Do you need something totally new?
