From famed New Yorker illustrator Garrett Price comes one of the lost treasures of American Comic Strips. White Boy celebrates the life and culture of the American Indian of the Old West in a way that was unique in early twentieth century popular culture. In 1933, Price, a Wyoming native, drew on his boyhood days to offer an adventurous, humorous, coming-of-age story seen from the point of view of a small Native American tribe and their adopted teenage boy. Sunday Press presents the complete White Boy/Skull Valley saga, over 150 Sundays, reprinted for the first time in 80 years. White Boy remains one of the more remarkable achievements in comics, with pioneering storytelling and artistic creativity that stand the test of time.
