Journey through scripture and learn about people who struggled with obedience in this 26- page study that includes HOW, WHY, and WHEN we should obey. Children will be challenged to seek answers in the Bible for the number one issue in their lives: obedience. Each day is filled with a look at someone in the Bible who had real struggles just like they do. Children will be challenged to think about the scripture and apply it to their lives. There are two versions of the study. One is written for 3rd-6th grade students to work through independently or for a family to work through together. The junior version is written for children ages 4-7 to work through with a parent. Both versions align together for a seamless family study. If you work 20-30 minutes a day, the flexible schedule will span about 3-4 weeks.
