## **Dabbesheth Dreams and Dream Interpretation (Encyclopedia of the Bible and Its' Reception)**

Hermann Spieckermann

The projected thirty-volume Encyclopedia of the Bible and Its Reception (EBR) is intended to serve as a comprehensive guide to the current state of knowledge on the background, origins, and development of the canonical texts of the Bible as they were accepted in Judaism and Christianity. Unprecedented in breadth and scope, this encyclopedia also documents the history of the Bible's interpretation and reception across the centuries, not only in Judaism and Christianity, but also in literature, visual art, music, film, and dance, as well as in Islam and other religious traditions and new religious movements. The EBR is also available online. Further information on "The Bible and Its Reception".
