"It seems like I have been struggling with depression forever. I always feel like I am not good enough."

"I tell myself that I don't really listen to the song lyrics, but once I hear a song a few times and start thinking about what they're saying I realize that it's too late. It's already stuck in my head."

"For me, the whole wife and mom thing is overrated. It isn't cool to want a husband and a family."
