## **Loves, Lives & Letters: A Collection of Three Romantic Readers** Rebecca Milton

From the pen of bestselling author Rebecca Milton, beloved for her erotic romance stories, we bring you – for a Limited Time Only – not one, but THREE collections of her best Romantic Writing with no less than 33 stories in total!

These stories will move your heart, thrill your senses, and touch your soul. Each volume holds ten stories – some older, some newer – and ALL contain a Bonus story, one Never Before Published!

**Book One: Loves...** Explore why we fall in love, and with whom. Fall in love with Rebecca's stories of loves we win, loves we lose, and even loves who belong to someone else. To open the entire collection, we have a brand new story that may just explain it all: "Draw Back Your Bow."

**Book Two: Lives...** Love hurts, sometimes in a good way, sometimes not so. Some say they would give their lives for love, and some do. The heroine in our new story, "Down By the Sea," does just that.

**Book Three: Letters...** Our lives are made up of letters. Letters we write, letters we read, letters we wish we'd written, and the letters that make up the words on the pages in stories that carry us away. In Book Three, you'll read a brand new story, "A Reason to Leave," that will leave you longing ... in a good way.

Sold separately, each of these volumes are more than Thirty Dollars. But for a limited time, you can get not one – not two – but All Three Collections for one amazing low price. That's a more-than \$100.00 value for just 2.99!

These stories are so beautifully written, you may not be able to put them down. The laundry may go undone, the dishes unattended, and you may stay up late into the night to read "just one more story" – until you've read each and every book, through and through ... and then go back and read them all again!

If you're new to the Wonderful World of Rebecca, welcome! If you're already a fan, this collection has even more to love – over 800 pages more, to be precise! And don't be daunted by the size – the hyperlinked and clickable Table of Contents will take you straightaway to the story of your choice.
