In The Name Of Yahweh Andrew Carrington Hitchcock

Five years in the making, *In The Name Of Yahweh*, is Andrew Carrington Hitchcock's long awaited companion book to, *The Synagogue Of Satan*. Whilst, *The Synagogue Of Satan*, was an education in who controls the world and how they do it, *In The Name Of Yahweh*, shows us why they are in control, and how their control can be broken. To prove Hitchcock's thesis we are taken on a chronological journey through the majority of the 66 books of the Bible. The facts discovered are related to the economic and social structures in the world today, both of which Hitchcock explains in detail, to prove they are unsustainable and thus will shortly fail. *In The Name Of Yahweh*, is a breathtaking lesson in how we must first learn from the past in order to have any influence on the future. It also serves as a fully indexed compendium of Biblical law, as it takes us through all the laws of the Bible that we must adopt if we wish to achieve prosperity in these perilous times. It is the only solution to *The Synagogue Of Satan*.
