Tristan und Isolde in Full Score (Dover Music Scores)

Richard Wagner, Opera and Choral Scores

Tristan und Isolde in Full Score (Dover Music Scores) Richard Wagner, Opera and Choral Scores

Among musicologists and serious lovers of music, Wagner's *Tristan und Isolde* is generally considered the high point of orchestration in the musical tradition of nineteenth-century Europe. It shows in most successful form Wagner's unsurpassed gift for using the instruments of the orchestra, and generations of students have worked with it to learn its technique.

Tristan und Isolde also has a remarkable historical position. It was the opera that most of the post-Wagnerians used to build upon, and it was also the opera that the anti-Wagnerians seized upon very frequently for their attacks and for their attempts to move musically away from Wagnerism. Accepted or rejected, it has been the work with which late nineteenth- and early twentieth-century musicians had to come to terms, and much musical history of this period can be understood through it.

This edition reproduces the full orchestral score in a clear, modern engraving for easy reading and piano study, with large legible notation. Do not confuse this with a piano rendering; it is a full orchestral score. In addition to its obvious uses for study, this score is also an indispensable associate for anyone listening to recordings. In no other manner can the listener keep full awareness of the incredible orchestral richness of this opera.
