101 Ways To Ruin A Perfectly Good Employee

Debby Nelms

101 Ways To Ruin A Perfectly Good Employee Debby Nelms

This is a deadly, humorous account of the deconstruction of a dedicated employee that cares deeply about their job and turn them into someone who won't help you do anything - unless you force them!

Do you have employees that can't be made to care about their job - no matter how much you browbeat them?
Do you have employees that scoot out the door immediately at closing time and refuse to give you an extra minute?

This book is for every employer and especially every manager that is interested in being a good one and that is really concerned about building the great team of employees! This book is also for every bad manager out there who can't figure out why they can't get the results they want.
