# The Foundation Pit

*Andrey Platonov*

**The Foundation Pit** Andrey Platonov

TRANSLATED BY ROBERT AND ELIZABETH CHANDLER AND OLGA MEERSON

Platonov's dystopian novel describes the lives of a group of Soviet workers who believe they are laying the foundations for a radiant future. As they work harder and dig deeper, their optimism turns to violence and it becomes clear that what is being dug is not a foundation pit but an immense grave.

This new translation, by Robert & Elizabeth Chandler and Olga Meerson, is based on the definitive edition recently published by Pushkin House in Leningrad. All previous translations were done from a seriously bowdlerized text. Robert Chandler is also the translator of Vasily Grossman's *Life and Fate*. The American scholar Olga Meerson has written extensively on Pushkin, Dostoevsky, Platonov and many other Russian authors.
