**The Partnership: The Making of Goldman Sachs** Charles D. Ellis

**The inside story of one of the world's most powerful financial Institutions**

Now with a new foreword and final chapter, *The Partnership* chronicles the most important periods in Goldman Sachs's history and the individuals who built one of the world's largest investment banks. Charles D. Ellis, who worked as a strategy consultant to Goldman Sachs for more than thirty years, reveals the secrets behind the firm's continued success through many life-threatening changes. Disgraced and nearly destroyed in 1929, Goldman Sachs limped along as a break-even operation through the Depression and WWII. But with only one special service and one improbable banker, it began the stage-by-stage rise that took the firm to global leadership, even in the face of the world-wide credit crisis.
