Continuing the action-packed adventures begun in *The Celestine Prophecy* and *The Tenth Insight*, *The Secret of Shambhala* opens with a search for the legendary Tibetan-Buddhist utopia of Shambhala (or Shangri-La), a magical place that not only truly exists, but is destined to be found and understood in our time. Following a child's instructions and led by fascinating synchronicity, we cross the Himalayas and discover a mysterious community set high on a Tibetan mountain range where the spiritual future of mankind is already being lived. Overcoming Chinese interference and the tests of the mysterious Dakini (the otherworldly guardians of Shambhala) we finally discover the secret of this idealistic way of life, and understand how it will now begin to move into the rest of the world. *The Celestine Prophecy* has sold over eight million hardcover copies worldwide, and was the bestselling novel in the world in 1995 and 1996. *The Tenth Insight*, Redfield's sequel to *The Celestine Prophecy*, has over 1.2 million hardcover copies in print and remained on the New York Times bestseller list for 24 weeks, peaking at #2. Also available as a Time Warner AudioBook.
