Digital Science Fiction has a vast collection of cutting edge stories for only 99 cents each. You're guaranteed to discover a gem!

Water Finds Its Path

America is dried up. The drought of the century has taken its toll. Now hordes of people travel from town to town in search of water. But towns are not just opening their gates and sharing their water with anybody.

Foley and Anna are journeying across the country on a solar-powered roller crammed with other displaced, desperate people. Their marriage a week ago was for show, not romance. Towns prefer couples. But finding a new home is looking unlikely. Until they meet Chloe.

Chloe is a dowser. She's a fortune teller with a set of dowsing rods and the gift of discovering where people belong. She tells Foley and Anna that they belong in Talbot. But two vacancies have just opened up in Bailey. And things aren't getting any easier when an obnoxious passenger demands to be part of their plans

In *Water Finds Its Path*, Robert Lowell Russell gives voice to the anxiety that plagues us all: where do I belong in this world and how do I get there? This story will take you on a harrowing journey through a dry, decaying wasteland and leave you gasping for a tall, cool drink of water.

Digital Science Fiction

A new age of science fiction is here. Digital Science Fiction lovingly curates masterful tales from a wide array of authors. We are proud to bring you the best stories from award winners, up-and-comers, and established veterans of the craft. If it's got our name on it, you know it's going to be great.

We are dedicated to bringing you tales, characters, and ideas you'll love. We have something for everyone. Space opera, cyberpunk, hard science fiction, slipstream, space western, dying earth, you name it. Newcomers and connoisseurs of speculative fiction alike will discover exciting new worlds. One of our favorite things about reading is discovering fresh talent. We aim to provide a gateway to another dimension so that you can consistently have that joy.

There are many ways to enjoy what we have to offer you here at Digital Science Fiction. You can browse our collection of single short stories for the bargain price of 99 cents. Simply pick and mix the authors, themes, and stories that call out the loudest to you. Or you can really grab yourself a bargain and pick up one of our robust anthologies for 50% off the total list price at \$4.95. Our anthologies are inspired by the science fiction magazines of the golden years. We are lifelong admirers of classic magazines like *Asimov's*, *Analog*, and *Fantasy and Science Fiction*. We believe that the best anthologies are safe havens where the curious can go to dream. It is that quality that we present to you.

Digital Science Fiction brings a noble tradition of wonder into the new age. Magazines might be waning, replaced with tablets and *holographic entertainment devices*, but we will never lose the fantastic stories that excite our imaginations. We must carry them with us through the ages, reading them, writing them, discussing them, sharing them, and loving them. Strap yourself in and prepare for takeoff.

This is gripping science fiction at its finest.

This is Digital Science Fiction.

Your brain will thank us.
