Plain White T's began touring in 1997 and have continued to successfully build their talent and their fan base ever since. In 2001, they released their first CD, Come on Over, followed closely by their sophomore album, Stop. The band began touring with such names as Sugarcult, Head Automatica, and more. Their name became widely known with the 2006 release of "Hate (I Really Don't Like You)," but it is their current single, "Hey There Delilah," that has landed them at the top of the charts. Alfred presents the sheet music to this hit single, "Hey There Delilah," from their fourth album, Every Second Counts. The catchy ballad includes song lyrics, melody lines, and chord changes with professionally arranged piano accompaniment.
