Beginners Guide to Walt Disney World Mr Alexander McCurdy

Disney World will overwhelm you. There is nothing that can be said or shown or read that can stop that. What I'm attempting with this book is to shorten the duration of overwhelm and move you to excited as fast as possible. The key to Disney is knowledge. The best trip is always the last one because you knew that much more. So back to the purpose of this book: I want to share what to expect, not what to do, to the person that is heading there for the first time. Everybody develops their own routine to make it enjoyable with their favorite rides and resorts and restaurants. While I will mention some of ours, it will be more as an example instead of a suggestion. You will find your rhythm and create your own personal routine.
