## **Plum Orchard** June Hall McCash

"Following on the heels of her critically acclaimed *Almost to Eden*, 2011 Georgia Author of the Year June Hall McCash once again delivers a story of hope and renewal with *Plum Orchard*. The saga is set on Cumberland Island during plantation-era Georgia and centers around a remarkable woman known as Elisabeth Bernardey. Zabelle, as she is called, was born the illegitimate daughter of a planter and a slave and was raised as the planter's daughter, so she finds herself neither completely free nor totally in bondage. *Plum Orchard* chronicles her journey through the Antebellum South as she strives to live in two worlds while belonging totally to neither. This epic tale spans a large portion of the nineteenth century and is a narrative that explores both the darkness that was slavery and the light that lives within the human heart."

-Raymond L. Atkins, award-winning author of *The Front Porch Prophet* and *Sorrow Wood*
