Tia Simmons can't wait to be Mrs. Charles Robinson. She has everything planned, from the venue to the caterer, making everything completely perfect. Or, so she thought. When she hires Camille to be her wedding coordinator, paranoia comes into play when she thinks her best friend is trying to sabotage her wedding. Along with the issues she's having with Camille, she also has to deal with her new extended family, making her wonder if she's going nuts. But when unexpected news shatters Tia's world, she's not sure if she should tell anyone about it or if she should keep it to herself until the wedding is over. Charles Robinson is totally in love with Tia and would do anything for their special day. Whatever Tia wants, he's in agreement with. Except hiring Camille as their wedding coordinator. When issues clash between the three, will it test their friendship? Along with the issues he's having with the reappearance of his father and a brother who can't be trusted, Charles has to wonder which is more important – trying to do the right thing or being happy.
