Ultimate Sex Guide: Overcome Sexual Inhibitions & Addictions and Enjoy Sex without Shame, Guilt, or Remores, The Cybersex Revolution Mr. Victor Gibbons

The Ultimate Sex Guide explores how religious, social and cultural beliefs and attitudes have hindered and suppressed the full expression of sexual joy and freedom in America. The Ultimate Sex Guide proposes entirely new guidelines for liberating each individual so that they can find lasting physical pleasure, intimacy and love in all of their sexual relationships. It debunks many of the old wives tales, sexual myths and misguided taboos on sex in America which historically had the effect of suppressing the full expression of our sexuality. The sex guide also explores the nature and origin of sexual inhibitions, repressions, compulsive and obsessive sexual addictions and how to clear them in order to achieve more intimate, loving and meaningful sexual experiences in life. The reader will see how sexual cultural conditioning is rapidly changing due to the advent of the cybersex revolution and its effects on modern society. The cybersex revolution is here to stay and its effects on human sexual relationships in modern America are both far reaching and profound in its impact on how men and women relate to one another sexually. The cybersex effect on society is explored extensively both as to how cybersex can be a positive influence in our sex lives as well as a negative influence on sexuality in America. Finally the Sex Guide explores how to achieve intimacy, closeness, and deep emotional connection and sharing which are the ultimate expressions of love. It is what most every woman seeks and desire and quite frankly most men too. Ultimately if the reader continues to put forth the effort by follow the steps of the clearing processes and exercises discribed in this sex guide you will ultimately achieve sexual joy, liberation and freedom. It is through sexual joy, liberation and freedom that you are able to find true love, intimacy and sexual pleasure which then enriches all other aspects of your life and the lives of those in which you are in relationship.
