Alien in My Pocket #3: Radio Active Nate Ball

This third book in the Alien in My Pocket series is the zaniest yet! Zack and Amp create a massive mishap in this hilarious story. Plus the book comes with a do-it-yourself science experiment.

Nothing's been easy since Amp crash-landed his spaceship through Zack McGee's bedroom window. Now Amp has built a quantum radio to alert his commanders to call off the invasion of Earth. Unfortunately, instead of contacting Erdian Central Command, Amp's radio accidentally broadcasts Amp's messages all over Zack's hometown. Now it's up to Zack and his best friend, Olivia, to save their alien friend from being discovered and to save the planet from panic.

With illustrations throughout, a page-turning plot, and fun scientific facts, this is the perfect chapter book for young readers. Supports the Common Core State Standards.
