Alligators in the Moat: Politics and the Mexican Border Ed Ashurst, M. Scott Catino Ph.D.

It starts at the top: The U.S. Border Patrol and ICE receive most of the criticism for the United States' failed policy concerning illegal activity on our border with Mexico. The truth is the situation on our border with Mexico is exactly what most politicians are comfortable with. Meanwhile patriotic federal agents who work on the ground as well as American citizens who live in rural areas close to the border are thrown under the bus, and anyone who criticizes the policy coming out of Washington D.C. is slandered, threatened, or even worse. The Border Patrol agents are only following orders and U.S. citizens are only trying to protect themselves. This is a tale of lies, corruption, cover-up and murder.
