Horses Where the Answers Should Have Been: New and Selected Poems (Kingsley Tufts Poetry Award) Chase Twichell

“[Twichell’s] poems generate the requisite heat with the poet’s precise, original and frequently brilliant use of language. . . . A major voice in contemporary poetry.” —*Publishers Weekly*

“[Twichell’s poems] track the inner movements of one life with an unexpected freshness.” —*The Washington Post*

Publishers Weekly called Chase Twichell “a major voice in contemporary poetry,” and this long overdue retrospective supports the claim. Selected from six award-winning books, this volume collects the best of Twichell’s meditative and startling poems. A longtime student of Zen Buddhism, Twichell probes how the self changes over time and how the perception of self affects the history and meaning of our lives. Her poems exhibit a deep and urgent love of the natural world amidst ecological decimation, while also delving into childhood memories and the surprise and nourishment that come from radical shifts in perception.

*What etiquette holds us back
from more intimate speech,
especially now, at the end of the world?
Can’t we begin a conversation
here in the vestibule,
then gradually move it inside?
What holds us back
from saying things outright?*

Chase Twichell is the author of six books of poetry and the best-selling writer’s manual *Practice of Poetry*. She is the founding editor of Ausable Press and lives in rural New York with her husband, the novelist Russell Banks.
