Intermediate Security Testing with Kali Linux 2

Daniel W Dieterle

Intermediate Security Testing with Kali Linux 2 Daniel W Dieterle

Kali Linux 2 is the most advanced and feature rich penetration testing platform available. This Ethical Hacking hands-on learn by doing book will help take you beyond the basic features of Kali into a more advanced understanding of the tools and techniques used in security testing.

If you have a basic understanding of Kali and want to learn more, or if you want to learn more advanced techniques, then this book is for you. As a follow up to the popular “Basic Security Testing with Kali Linux” book, this work picks up where the first left off.

Topics Include

- What is new in Kali 2?
- New Metasploit Features and Commands
- Creating Shells with Msfvenom
- Post Modules & Railgun
- PowerShell for Post Exploitation
- Web Application Pentesting
- How to use Burp Suite
- Security Testing Android Devices
- Forensics Tools for Security Testing
- Security Testing an Internet of Things (IoT) Device
- And much more!

From reader reviews:

Dirk Sullivan:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining like comic or novel. The actual Intermediate Security Testing with Kali Linux 2 is kind of reserve which is giving the reader unstable experience.

Carl Strum:

Reading a book to get new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a large amount of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, and soon. The Intermediate Security Testing with Kali Linux 2 provide you with a new experience in looking at a book.

Kelly Thompson:

This Intermediate Security Testing with Kali Linux 2 is brand-new way for you who has interest to look for some information as it relief your hunger details. Getting deeper you in it getting knowledge more you know or else you who still having small amount of digest in reading this Intermediate Security Testing with Kali Linux 2 can be the light food for you because the information inside this specific book is easy to get by means of anyone. These books build itself in the form and that is reachable by anyone, yes I mean in the e-book web form. People who think that in reserve form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for you. So , don't miss that! Just read this e-book type for your better life and knowledge.

Joshua Poulson:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Intermediate Security Testing with Kali Linux 2 can make you sense more interested to read.
