## **Mothers of Raging Angels** Lori Ann Henderson

Mothers of Raging Angels is an intense, inspiring and spiritual work of poetry. Over thirty years worth of relationships are depicted, focusing on the profound love and complicated interaction that create the bonds within a family. The author has shared the joy and fear and perseverance of her life while giving a voice to those who have not known how to express their emotions on the printed page. The reader may relate to the uncomfortable but all too prevalent topics of heartbreak, substance abuse, domestic violence and more. It is hoped the reader will also experience healing, understanding and triumph. This book is for mothers and fathers, for daughters and sons, for wives and husbands, for sisters and brothers. Once read, it is a book to be shared with someone that you love. It is intended to provoke and strip down and lay bare the soul. Mothers of Raging Angels will evoke a wide range of emotions, not the least of which is passion.
