Truman David McCullough

The Pulitzer Prize–winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America’s beloved and distinguished historian.

The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman’s story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman’s own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary “man from Missouri” who was perhaps the most courageous president in our history.

From reader reviews:

Olga Noone:

As people who live in often the modest era should be up-date about what going on or info even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe will probably update themselves by reading books. It is a good choice to suit your needs but the problems coming to a person is you don't know what type you should start with. This Truman is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Mary Alexander:

Reading a e-book tends to be new life style on this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story as well as their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some analysis before they write for their book. One of them is this Truman.

Lillie Moreland:

Truman can be one of your starter books that are good idea. Most of us recommend that straight away because this book has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The author giving his/her effort to get every word into joy arrangement in writing Truman however doesn't forget the main position, giving the reader the hottest in addition to based confirm resource details that maybe you can be considered one of it. This great information may drawn you into completely new stage of crucial imagining.

Charles Carey:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Truman can make you feel more interested to read.
