Daddy Is My Hero Dawn Richards

At first glance, the daddy in this book seems to be quite average. He cooks, cleans, and plays games with his young son. Like most dads, he doesn't always win and he isn't always right, but in the imaginative eyes of the little boy narrating this sweet story, his daddy is a hero in every way. From capturing and locking up outlaws, to battling greedy dragons, and putting monsters to sleep with a wizard's spell, there's no end to the amazing feats of strength and ingenuity that his father can do! With clever rhyming text and adorably detailed illustration, *Daddy Is My Hero* is a fitting tribute to every child's first real-life superman...their dad.
