## **Fast Food Nation** Eric Schlosser

To a degree both engrossing and alarming, the story of fast food is the story of postwar America. Though created by a handful of mavericks, the fast food industry has triggered the homogenization of our society. Fast food has hastened the malling of our landscape, widened the chasm between rich and poor, fueled an epidemic of obesity, and propelled the juggernaut of American cultural imperialism abroad. That's a lengthy list of charges, but Eric Schlosser makes them stick with an artful mix of first-rate reportage, wry wit, and careful reasoning.

Schlosser's myth-shattering survey stretches from the California subdivisions where the business was born to the industrial corridor along the New Jersey Turnpike where many of fast food's flavors are concocted. He hangs out with the teenagers who make the restaurants run and communes with those unlucky enough to hold America's most dangerous job - meatpacker. He travels to Las Vegas for a giddily surreal franchisers' convention where Mikhail Gorbachev delivers the keynote address. He even ventures to England and Germany to clock the rate at which those countries are becoming fast food nations.

*Fast Food Nation* is a groundbreaking work of investigation and cultural history that may change the way America thinks about the way it eats.

Book can to get your best friend when you getting tension or having big problem using your subject. If you can make studying a book Fast Food Nation to be your habit, you can get more advantages, like add your own personal capable, increase your knowledge about a few or all subjects. You could know everything if you like wide open and read a reserve Fast Food Nation. Kinds of book are a lot of. It means that, science book or encyclopedia or other folks. So , how do you think about this reserve?

#### Stacie Logan:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Fast Food Nation can make you feel more interested to read.

#### Robert Knight:

Reading a e-book make you to get more knowledge from the jawhorse. You can take knowledge and information from your book. Book is prepared or printed or highlighted from each source which filled update of news. In this modern era like now, many ways to get information are available for you actually. From media social including newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just seeking the Fast Food Nation when you needed it?
