Professional Expression to Organize, Write, and Manage Technical Communication

M.D. Morris P.E.

Professional Expression to Organize, Write, and Manage Technical Communication M.D. Morris P.E.

Technical topics in science and engineering always present challenges when it comes to conveying or arguing information in a clear and effective manner. This book was written to address that challenge, using time-proven techniques developed by the author for academic courses and onsite training programs he has used for several decades at engineering schools, design and professional conferences.
