## **The Truth Torpedo: Blowing off the Barrier Cloud** Mr. Brian R Wright

George Orwell once wrote, “In a time of universal deceit, telling the truth is a revolutionary act.” Author Brian Wright argues that today a minority of power-diseased and perversely overcapitalized men—via submissive media systems—fosters a number of Big Lies... like so many Emperor’s phantom suits of the finest weave. Wright shows that some of these key deceptions (and thus their countering truths) are obvious to a normal child and that adult assertion en masse of the truth is urgent for human health and life.
