Tiger Tank (General Military) Marcus Cowper

The most famous tank of World War II, the Tiger was a monster of a machine that dominated the battlefields of Europe and beyond. Originally conceived in response to the German Army's experience fighting British tanks in western Europe and North Africa, the Tiger cemented its reputation of near invincibility during the savage battles of the Eastern Front.

This is a complete illustrated guide to one of the world's most famous fighting vehicles, exploring its history, its strengths and weaknesses and its combat performance as it duelled against the best the Allies had to give. Drawing on a wealth of research, detailed illustrations and contemporary photographs, this book reveals how this remarkable tank became an icon of military history.
