Buffy the Vampire Slayer Season 8 Volume 6: Retreat Andy Owens

Buffy Season Eight Volume 6 showcases the first retreat of the Slayer legion. Vampires have solid footing at the top of the totem and Slayers have been crushed to the bottom — in short, no one likes Buffy anymore... least of all this season's mysterious Big Bad, Twilight, who is hot on her magical trail!

Now that it's the world against Slayers, Buffy must find a way to return the status quo to... status quo — and keep her girls alive long enough to do it! Enter Oz, the only person/werewolf Buffy knows who is down with the suppression of magic, and can take the Slayer army off of Twilight's magic-specific radar.

With Oz's assistance, the Slayers and Wiccans try to become "normal" through meditation and hard labor — although, not everyone sees the advantage of being magicless, namely, Willow, Giles, and Andrew. And they could be right. After all, is a peaceful life for a Slayer even possible?

* Oz appears in *Buffy* Season Eight!

* Collects issues #26-#30 of the ongoing series.

* The first three volumes of *Buffy the Vampire Slayer* Season Eight have combined to sell over 220,000 copies!

A *New York Times* bestseller!
