Crosses Shelley Stoehr

Nancy and Katie are best friends with one big thing in common-they both cut themselves, "Not by accident, we do it purposely-and regularly-because physical pain is comforting, and because now it has become a habit." Crosses was the first novel for young adults to deal with an increasingly widespread disorder, and "graphically describes the cry for help of many adolescents and how far they have to fall before they are even noticed." (VOYA) An ALA Best Book for Young Adults An ALA Quick Pick An ALA Recommended Book for Reluctant Young Readers
