There's an old saying that goes: "People have eyes, yet they do not see." This is applicable especially when it comes to the constantly evolving energies that are present everywhere, yet most people are not even aware of. These energies, also called bioelectric fields, are more commonly known as Auras. Simply put, they're the colored halos emitted and carried by all living things in the world. Those who can see auras are presumed to have very sharp senses, and most likely they have further honed them specifically for the task. Taking time to learn how to see and read Auras properly will powerfully impact your sense of personal awareness, and it will also improve your relationships with people. In this book, you will learn how to sense, see, and — to some extent — use auras to your advantage and for the benefit of others. You'll also learn how to understand and recognize different auras, as well as how to properly interpret them, and even manipulate them to some degree too. As you read this guide, try to be extra sensitive and aware of any aura encounters you may experience. This will help you familiarize yourself with the experience of aura-reading, and it will make for more graphic and easier learning. Let's get started!

## Here Is A Preview Of What You'll Learn...

- Understanding What an Aura Is
- Learning How to See Auras
- Identifying the Types and Levels of Auras
- The Art of Interpreting Auras
- How to Influence Auras
- Common Auric Obstructions
- Much, much more!
