Return of the Zodiac Killer

Return of the Zodiac Killer Hugh E. Scott, Mike Krecioch

In 2001, during the hectic aftermath of 9-11, San Francisco's infamous Bay Area assassin goes on another terrifying murder spree, this time in Southern California where he executes five men with a silencer-equipped revolver on different nights, including two airline passengers at Los Angeles International.

Now calling himself the "Grim Reaper" after a 30-year hiatus from crime, the Zodiac is a deranged, Devil-worshipping Vietnam combat veteran turned commercial aviator who wants to become the most feared serial killer in U.S. history.

His nemesis is LAPD helicopter pilot BRAD WILLIAMS, a serial killer expert and determined former homicide detective. Because the LAPD is shorthanded due to 9-11 security demands, Williams returns to his old job and recruits his best friend and Harley running buddy, EDWARD "PETE" PETERSEN, to be a deputized partner. A volunteer LAPD Reserve cop and LAX-based cargo jetliner captain, Pete has special expertise that will help nail the Grim Reaper.

To cause a fatal mistake by the unidentified airport assassin, Williams issues a press release calling him the "Grim Sleeper" (a real-life L.A. serial killer still at large). However, the ploy backfires when the thin-skinned Zodiac, outraged by the deliberate mislabeling of his new pseudonym, learns the home addresses of Williams and Pete and sets out to vengefully murder their family members one at a time. "Eenie, meenie, miney, moe,"

Meanwhile, Pete, the story's main character, is on a vengeful quest of his own, pursuing the unidentified killer who murdered his fiancée three years ago in Hollywood during a late night home invasion.

Williams caught the 1998 homicide case, became Pete's best friend and talked him into joining the LAPD as a volunteer patrolman to help overcome depression from his loss. Pete's real motive for becoming a Reserve street cop was old fashioned revenge. He wanted to legally carry a concealed weapon in case he ever spotted his late sweetheart's assailant in Hollywood, having seen him fleeing from her house that fateful night.

Since then, Pete has married a thirty-something single mom whose teenage son has been secretly targeted by the Zodiac to cause maximum grief. In the end, the vengeful pursuits of Pete and the Zodiac intertwine and bring the novel to a rapid and unexpected climax.

ABOUT THE AUTHORS:

HUGH E. SCOTT is a Texas A&M graduate (Class of '56), ex-USAF pilot, Vietnam veteran and retired Continental Airlines B727 captain. He has written four books, including three novels, and was a special features writer for his local newspaper, the Ventura County Star.
