Who would you choose—the sensitive artist or the exhilarating bad boy?

Anna Nightingale has never been a morning person, but when the famous **Gabriel Kempton** takes her on as an intern for early studio hours, Anna is more than happy to get up before the sun rises. Gabriel is the perfect package: handsome, charming, and wickedly talented. And when he asks her out, Anna can't believe her luck. But Gabriel doesn't want commitment, and Anna knows she's falling fast.

Commitment doesn't seem all that important after Anna meets a bad boy mechanic with a body to die for. **Nate** is crude, unsophisticated, and everything Gabriel isn't, and when they get together, primal sparks fly.

But when Anna's luck runs out, and she finds out she is pregnant, she knows that her carefree days are over. To make matters worse, Gabriel and Nate are connected in ways she never anticipated, and both men share a dark, wild secret that any girl would be crazy to believe.

Will either untamed bachelor take his place at her side now that there's a child on the way, or has Anna made two of the worst mistakes of her life?
