## this bridge we call home: radical visions for transformation

More than twenty years after the ground-breaking anthology *This Bridge Called My Back* called upon feminists to envision new forms of communities and practices, Gloria E. Anzaldúa and AnaLouise Keating have painstakingly assembled a new collection of over eighty original writings that offers a bold new vision of women-of-color consciousness for the twenty-first century. Written by women and men--both "of color" and "white"--*this bridge we call home* will challenge readers to rethink existing categories and invent new individual and collective identities.
