After the Before Jessica Gomez

Her perfect world was destroyed in one single day, one moment, in which she lost her beloved twin brother and best friends, and the loving father she knew. Leaving Jasmine only with the scars as a reminder and the daily scorn and abuse from her mother.

Tormented by the deadly aftermath of the accident that claimed his sister, father and best friend, Alex detonated. He joined a gang and proceeded to destroy what was left of his life and pushing away the only person who survived, leaving her to cope with her loss and injuries on her own.

When in their senior year, circumstances bring Jasmine and Alex back together, emotions begin to resurface, and their carefully laid facades starts crumbling, baring what is left of their hearts to each other.

Destiny appears to bring them together, while fate threatens to tear them apart.
