Captured by the Alien Lord: Sci-fi Alien Invasion Romance (Warriors of the Lathar Book 1) Mina Carter

He's big, sexy and even his muscles have muscles. Any other day, she'd climb him like a tree... If he hadn't captured her, and her entire base that is.

Sergeant Cat Moore has a little problem. Well, actually a big problem... a big alien warrior sized problem. When her base is attacked and boarded by a Lathar war group, she finds herself in the sights of their leader, Tarrick K'Vass.

The strong, not so silent and ruthless type, Tarrick's duty as a war commander means little time for himself. With no women of their own, a base full of women is a bounty he can't ignore. Nor can he ignore the little human whose voice called out to him across the galaxy, a woman he'll stop at nothing to make his own. Even if it means a little blackmail...

Please be aware that this is a romance short. Shorter fiction is a fun and quick read, not a full length novel.
