Get ready to create the fashions of your dreams. You can take the first steps toward making your fantasies real with this book, which will show you how to draw like a professional illustrator.

Each of the 14 poses features a five-step drawing. Start with a simple shape and keep building until your model's complete. Create sweaters, shirts, leggings, slacks, cargo pants, and other garments for going to the mall, the beach, the game, or for just hanging out at home or with friends. Don't forget the guys—there are some great-looking outfits for them, too.

Drawing takes practice, and that's why we've included a sketchbook. Find a sharp pencil with a good eraser. You can use colored pencils or markers later on to add the finishing touches. Now, grab your sketchbook and start drawing!
