Prayer for the Little City: Poems

Sydney Lea

Prayer for the Little City: Poems Sydney Lea

In his fourth collection of poems, Sydney Lea remains true to the narrative values for which his verse has been widely recognized. Here, however, Lea becomes more contemplative-even more overtly religious---than before. There are some striking poems set in Italy, but Lea's territory for the most part is a region increasingly under siege- the small towns and shrinking wild country of upper New England: the ?inty bailiwick, famous for "self-reliance" yet possessed of a distinctive culture and a communitarian urge, both of which Lea depicts tenderly but without sentimentality. Few contemporary writers in any genre know their region as intimately as Sydney Lea, and in keeping with a poetic paradox reaching back at least as far as Wordsworth, it is such apparently parochial knowledge that lends 'Prayer for the Little City' its widest resonances.
