Even though they're often lumped together, the Twin Cities are two distinct cities with very different histories. Minneapolis is the Mill City, the City of Lakes, composed mostly of flat prairies. St. Paul is the Capital City, built on rolling hills and high river bluffs.

Whether you're interested in art, culture, history, or nature, there's a walk in this book designed for your interests. We hope that it serves not only as a guidebook for (re)discovering the Twin Cities, but as a springboard for additional explorations.

*Walking Twin Cities* contains 35 walks of varying levels of difficulty, built around the natural, architectural, and historical attractions of Minneapolis and St. Paul. The downtown areas of both cities are explored in depth, as well as many of the neighborhoods, scenic parks, and lakes that are scattered through the area.
