White Fang Jack London

This thrilling adventure story from the celebrated author of *The Call of the Wild* traces a wolf-dog's epic journey from savage beast to man's best friend

Three men traverse the frozen landscape of the Yukon Territory on a sled—two stand upright, one lies dead in a coffin. Stalked by a pack of starving wolves, the travelers are out of ammunition and low on food. When night falls, the wolves will make their final assault. The men's time is running short, but White Fang's story is just beginning.

Part wolf, part dog, White Fang is a hunter without a pack, at home neither in the camp nor in the wilderness. From the banks of the frozen Klondike river to the teeming streets of Gold Rush-era San Francisco, White Fang never stops fighting—first to survive, and then to find a home.
