## China and the Long March to Global Trade: The Accession of China to the World Trade Organization (Routledge Studies in the Growth Economies of Asia)

On December 11th 2001, China joined the World Trade Organization (WTO). *China and the Long March to Global Trade* examines the prolonged negotiations leading up to this historic event.

This edited collection assumes little prior knowledge of the Chinese accession process yet provides an in-depth examination of the related issues. It is therefore suitable for both those who require an introduction to the field and those with an existing interest in China and the World Trade Organization.
