Cry, the Beloved Country

Cry, the Beloved Country Alan Paton

This is the most distinguished novel that has come out of South Africa in the 20th century, and it is one of the most important novels that has appeared anywhere in modern times. *Cry, the Beloved Country* is in some ways a sad book; it is an indictment of a social system that drives native races into resentment and crime; it is a story of Fate, as inevitable, as relentless, as anything of Thomas Hardy's. Beautifully wrought with high poetic compassion, *Cry, the Beloved Country* is more than just a story, it is a profound experience of the human spirit. And beyond the intense and insoluble personal tragedy, it is the story of the beautiful and tragic land of South Africa, its landscape, its people, and its bitter racial ferment and unrest.
