Teachers and the Law (7th Edition) Louis Fischer, David Schimmel, Leslie R. Stellman

This text provides a question and answer format which addresses every aspect of school law from a teacher's and school administrator's perspective. Clearly written and useful to both teachers and school administrators, this text focuses on legal issues reflecting current trends that are important to educators in the 21'st century. The authors designed the text for school professionals seeking an easy to use reference on every important area of school law, including student and employee rights, the impact of the No Child Left Behind Act on those rights, and how to understand their legal rights and responsibilities. This up-to-date presentation provides insights into laws governing education as well as court decisions from all 50 states and the federal courts. Guiding legal principles are presented in such a way that educators can easily understand and follow today's trends in the law governing education.
