The Story of the Untouchables As Told By Eliot Ness ~ 2nd Revised/edition Roger Borroel

An excellent text on this honest team of Prohibition agents that was headed by federal agent, Eliot Ness. This work has Ness' own account about his team of Untouchables (called this by the Chicago newspapers at the time because they never took a bribe from the mob), and their daily fight against the Capone organization during the prohibition Chicago era. This book is filled with copies of federal documents on these men, and has over 40 color photos and over 50 b & w photos; accounts taken from the Chicago newspapers of the day, describing the brewery raids made by these brave men; 'smoking gun' documents that revealed the creation date of this world famous team, and so much more that this text can serve as a reference work for researchers/fans, and libraries, since I did all the legwork .i.e, the research. This second revised edition has over 100 MORE pages of new research based on federal files; facts given by some of the relatives of the original Untouchables, and other public documents. Truly, a worthy text to have on this subject area.
