King Harald Fairhair, the great Jarl who unified Midgard's petty kingdoms, father to many high and low born children, has died with no successor. On the evening of his death a dreadful omen appeared in the skies above: two celestial wolves, maws outstretched swallowed the sun and moon! Three years later, after an endless and relentless dark winter, heroes rise to forge their legacies. The great realm of Midgard has splintered into fragments. Jarls with ambitions for the crown have sundered the landscape. Crusaders from the south have invaded the Northlands in search of what caused this terrifying Fimbulwinter. Unearthly forces, guided by the gods and the giants have penetrated Midgard with purpose and ambition. Enter the fiery crucible in which the only true heroes are forged!
