Methods for Teaching Students with Autism Spectrum Disorders: Evidence-Based Practices, Pearson eText - Access Card John J. Wheeler, Michael R. Mayton, Stacy L. Carter

Methods for Teaching Students with Autism Spectrum Disorders is the most comprehensive text available, aimed at helping pre-service and in-service teachers and related service professionals understand the importance of evidence-based practices in the education of learners with Autism Spectrum Disorders (ASD) from a family and longitudinal learning perspective. With its emphasis on the theme of family and professional partnerships and collaboration and consultation, the book includes learning aids such as **suggested print and web-based resources**, graphic organizers, and points for reflection; child and family vignettes, “Consider This” features, and examples of exemplary programs and practices; and the most up-to-date information and latest trends in the field.
