Over the Hill and Between the Sheets: Sex, Love, and Lust in Middle Age

Over the Hill and Between the Sheets: Sex, Love, and Lust in Middle Age

Every Baby Boomer has to confront it: their changing midlife sex lives. Now, Gail Belsky provides an unfailingly honest anthology that is incredibly varied, wickedly funny, shockingly explicit, and surprisingly sweet about life in the bedroom after 40. Topics include an unexpected second marriage to a much younger man, the discovery of phone sex during wartime, the confession to an adulterous affair, and a his-and hers dissection of the changes in a long-term partnership--the good, the bad, and the ugly. It's all here on the journey "over the hill and between the sheets."
